Marbling

Marbling Ink

Our range of premium quality marbling inks make it possible to create magnificent, interesting patterns with ease. Based on the principle that oil ink floats, simply adding water causes the marbling ink to disperse, producing a stunning marble effect. Available in packs of 6 colours; standard, metallic or fluorescent.

- 1. HC1202066 Standard pack 125 kr
- 2. HC1202068 Fluorescent pack 125 kr
- 3. HC1202070 Metallic pack 125 kr
