"Ideal for keeping paintings flat while they dry, minimising drips and creases. This table top version is a real space saver, and can be brought out when needed."

### 1. Spring Loaded Paint Dryer

07EJ71534 10 Shelf  
07EE30055 20 Shelf

The ideal way to stop children piling wet paintings on the top shelf and sticking them together! This multi-purpose, heavy duty paint dryer has twenty spring loaded shelves which can be lowered one at a time as required. The strong metal frame has two castors fitted for easy mobility.  
Size: W600 x D500 x H820mm.

Each 1385 kr 07EJ71231 30 Shelf  
Each 1745 kr

### 2. Shelf Painting Dryer

A bumper sized table top dryer that holds up to 30 paintings. Quality racks keep paintings separate for ideal drying conditions.

Each 2345 kr

### 3. Table Top Dryer - 40 Shelf

07ED57510  
This Table Top Dryer is ideal for drying or storing prints where space is limited. There are 40 plastic coated rigid wire shelves, each 390 x 500mm, attached to a robust steel frame. Each section can be dismantled to offer the maximum flexibility in use. It is also very useful for storing paper. Height 600mm.

Each 1225 kr

### 4. Table Top Dryer - 20 Shelf

07ED58411 Each 975 kr

Table Top Dryers have been designed to ensure that items laid on the shelves will dry flat and not 'snag' between wires. All the shelves will also fold vertically for ease of storage. As 40 shelf table top dryer but with twenty sections.
